The participating utilities may use UNCE as the basis for preparation of bidder lists directly or together with additional qualification criteria established by the individual utility. Other qualification stages may be added by the individual utility if more information is found necessary to complete the preparation of bidders lists.
OPSIS AB has registered the following products and services in the Achilles Utilities Nordics & Central Europe Community:

- 3.2.2 Control & Instrumentation Systems & Spares
- 3.54.99 Other Marine Equipment
- 4.8.1 Control & Instrumentation Services
- 4.10.99 Other Meter & Associated Services

(*) The UNCE qualification does not apply to codes marked with an asterisk. The company’s role is 'Agent' for these codes, and as such it is not selling the product itself but acting on behalf of others.
